

Dear Guest,

Welcome at Le Bon Vivant!

We are delighted to have you as our guest!

To complete your dining experience you can choose a wine pairing with our menu's. These food and wine pairings will intensify the flavours of the dishes.

Naturally we can modify the dishes to your diet wishes or allergies. We do ask you to order one menu per table. Up to six persons you can also enjoy our à la carte menu.

On behalf of the entire team Le Bon Vivant I wish you a fantastic evening!

Björn Dijkstra
